

REMARKS

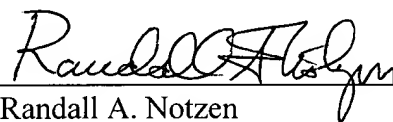

The drawings and/or the specification stand objected to for an inconsistency between drawing Fig. 3 and the Brief Description Of The Drawings which lists Fig. 3a. In response to this objection, paragraph [0014] has been amended as set forth above. It is believed that this amendment overcomes the foregoing objection.

CONCLUSION

Based on the foregoing amendment and remarks, reconsideration of the objection and issuance of the patent is requested.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
